B-documentary

25X1 1. The attached photographs were taken in late January 1950 from a train passing the southern border of the Dessau (M 52/R 06) airfield.

25X1 2. On 2 February 1950, of the 70 to 80 fighters stationed at the Dessau airfield, 11 were parked on the northern border of the field and about 22 more in a long line. The planes were covered with tarpaulins. The weather was bad and there was no flying.

25X1

25X1

25X1 comment:

The Dessau airfield is assumed to be occupied by two fighter regiments equipped with Ia-9 aircraft. Jet aircraft have not been observed in Dessau so far, although the field, because of its dimensions, can accommodate jet planes. The attached photos do not show any jet planes.

25X1

2 annexes: Two photographs of the Dessau airfield.
